

## YOUTH ENTERTAINMENT

### **STEVE-O: AMERICAN IDIOTS.... (20 x 30 min)**

#### **Available October 2006**

Here at last, the phenomenon that is "Steve-O" (Jackass; Wild Boys) is seen as never before. In this unique 'Jackass meets the Osbournes' style show, we have worldwide exclusive access to the man and his team behind the scenes on the current world tour.

A 'fly-on-the-wall' look at their incredible lifestyle on and off stage. The boys really turn it up a notch as they incite riots, end the careers of radio disc jockeys and force some of their crew into early retirement, in a dangerous, disgusting and humorous expose of their lives. The show will be fresh spin on the already proven genre of the 'Jackass' and Wildboyz' series, but taking it one step further to prove that the carnage never stops.....its only the cameras that do !

(Content Warning: Very Strong Language Throughout and Adult Tone Visual Humour)

### **CARMEN ELECTRA'S ...NAKED FEMALE WRESTLING LEAGUE (12 x 30 min)**

For years women have been wrestling naked in illegal underground events around the world. Recently, the enigmatic Carmen Electra created the Naked Women's Wrestling League in order to ensure a first rate and professional arena where women can safely get even for a past grudge or to fight for their honour!

In this sensational new television series and for the first time, Carmen Electra wows viewers by introducing challengers from among seventeen gorgeous women wrestlers, all fabulously honed and toned as they pull out all the stops to provide real and raw competitive entertainment

Make no mistake though - this is serious wrestling with the ladies every bit as competent in the grapple business as their male counterparts

### **CANNONBALL RUN EUROPE: THE GREAT ESCAPE- (109 min)**

#### **Feature Length Documentary**

Get ready for a heart-stopping 3000 mile ride across the continent! When the cream of Europe's motoring bad boys decided to stage a multi-country race there could only be one result - lawless mayhem, outrageously high speeds and a collection of wallet crippling police fines that would make even Bill Gates weep.

Think of the coolest car you've ever seen in a motoring magazine, multiply it by 120 and you've got the starting line-up for the Cannonball Europe. Millions of pounds worth of high performance machines being pushed to the limit, accompanied by a hard pumping soundtrack.

### **ZOOT CIRCUS (110 mins)**

#### **Feature Length Documentary**

10 unique individuals an 18 day tour through 12 European cities

Seven pro skaters and three graffiti artists take up the challenge to follow their aspirations as they journey around Europe, exploring each destination making maximum use of every available surface. A timely release for this fascinating look at the world of skate and graffiti

just as the \$100 million Hollywood skate picture 'Lord of Dogtown' hits cinemas this Summer\*

## **JULIETTE AND THE LICKS- LIKE A BOLT OF LIGHTNING - (1 x 60 min)**

### **Feature Length Documentary**

#### **In Post Production Now**

In 2003 the famous Hollywood actress, Juliette Lewis (Cape Fear, Natural Born Killers, Starsky and Hutch) realised her other ambition and formed Juliette and The Licks. Far be it for Juliette to be overworked, she has overcome all obstacles to succeed in both her film making and music careers! This special one-off programme tells the fascinating behind the scenes story of the band's first sell - out 2005 tour to promote their album 'Like A Bolt of Lightning'

## **LORDS OF THE RING (20 x 30 min)**

Earthy, real and raw...the alternative answer to K1 and every bit as exciting played to packed venue and featuring championship bouts through all the weight categories.

Seeing is believing for those fight fans weaned purely on the Queensbury rules. Big crowds, passionate fans as martial arts meets kick boxing and karate.

## **CARNAGE (17 x 30 min)**

Pull over and cut your engines! At last here's a show dedicated to you petrol heads\*

An action packed series produced in a magazine-style with weekly looks at the 'Cannonball Run' and the 'Player's Run' as well as in-depth regular features on Drifting (the latest craze to hit the streets), Drag Racing (burning rubber in New Zealand and the USA), Street Racing (at the very edge of what's legal!) and just about anything else that can be done on four wheels!

## **CRASH, STUNTS, IDIOTS..... (30 x 30 min)**

A series looking at some of the worst crash footage ever filmed. From illegal street bike racing, through high powered bikes, cars to the disasters that can occur in the world of extreme sports on skis, surf boards, snowboards, BMX to name but a few. Experts in the fields of accident prevention and investigation offer insightful views on why it went wrong and how some could have been prevented.

## **CRASH, BANG, WALLOP!! (13 x 30 min)**

Sequel series to the two highly successful series of 'Ouch...That Had To Hurt'. This brand new blooper series draws on previously unseen footage from the company's vast archive of professional extreme and action sports programming. It looks great when it all works - BUT even professionals make mistakes too, so this series sees outtakes and blunders from some of the world's most famous sports stars in the fields of ski, surf, skateboarding, BMX and motocross, among many others.

## **MMX - TREME (20 x 30 min)**

A definitive all-encompassing look at a variety of motorized and wheel-based extreme sports. From quad biking, drag racing and mountain biking to banger racing, in line skating and Moto X, all of these sports require a level of skill, style and speed that their participants are only too happy to experiment with.

## **STREET BIKERS (6 x 30 min)**

Its all here in this edgy magazine show which takes a look at the world of street biking. Illustrated with unseen footage from around the world the series explores the phenomenon, the tricks and stunts, what makes them do it and how they get away with it.....!

## **STREET BIKERS - UNCUT ! (6 x 30 min)**

All the action from the series above...but with the added value of the 'involvement' of the gorgeous girls with a passion for bikes and the world of street biking...!!

**MORONIC: 21st CENTURY IDIOTS (13 x 30 min)**

Adrenalin packed half hours of the craziest clips never seen before on television. Watch as our 'stars' attempt mad stunts with predictably painful results. Bringing together the maddest, most mind numbingly stupid people from around the world to create a treasure trove of insane action that has no rival - all caught on film for your amusement and amazement!

**DRUNK AND DISORDERLY (24 x 2.5 min)**

A combination of Jackass, Dirty Sanchez and far too much hard liquor!

A heady mix of no fear.....and no brains. Each mind blowing episode delivers an audio / visual slap to the face as we are taken breathlessly to the boundaries of human idiocy. Fast paced and jam packed with moronic stunts and antics.....Drunk & Disorderly "out Jackasses" Jackass.....!! **NOTE: This is short-form filler programming**

**OUCH...THAT HAD TO HURT – Series 1 & 2 (26 x 30 min)**

Motorized mayhem featuring prime crash footage backed by a turbo fuelled rock soundtrack. Broken bones and twisted metal are the prevailing themes in this symphony of destruction. Heavy hitting hardcore action throughout. Can you watch it without flinching?

<b>LEISURE / TRAVEL &amp; LIFESTYLE</b>
---

**TASTE OF CALIFORNIA (13 x 30 min)**

A mouth-watering journey around the wine regions and vineyards of California.

Granted unique behind - the - scenes access, each week the programme explores a different wine region, delving into the culture and history as well as offering advice on the best ways to store wine and key tips about wine tasting.
