factual culture family

A Monty Roberts Production

Monty Roberts famed horse gentler and best selling author of "The Man Who Listens to Horses" helps troubled youths to get a handle on their lives and become successful adults.

Using a technique he calls Join Up - founded on a communication and trust, Monty's methods assert that violence is never the answer. When Monty learns that the lives of the wild horses of Palm Island are being threatened by local youths, he flies to Australia to share his message of hope learned from horses, with these children who have been raised in one of the most violent places on earth.

secret of the bat

Worldwide rights (excluding Germany and France) available with Verve

1 x 1hr

factual culture politics

A Kiosque GmbH Production / A Marcel Kolvenbach and Ekkehard Sieker film

Relations between the Bacardi family and Cuban leader Fidel Castro are characterized by more than forty years of hatred.

The Bacardi company founded in Cuba in 1862 was dispossessed and driven out the country after the Cuban Revolution.

The history of the Bacardi rum empire is a story of corruption, of skeletons in the closet, terror and a powerful and bitter battle against the regime of Cuba.

art music culture entertainment

An About 3 Minutes Production

Art, Music, Freedom, Circus, Ritual and Spectacle - a Desert. A journey to the heart of one of the most unique festivals on the planet - The Burning Man Festival - an art event and temporary community based on radical self-expression and self-reliance, held annually in the Black Rock Desert, Nevada. Following two New York artists and their crew as they confront the challenges of designing, transporting and constructing a giant art installation 'Johnny' at the festival's epicenter. In a place where there are no rules, MAKING JOHNNY explores the nature of creativity and the fascinating and sometimes radically divergent perceptions artists can have from the audience, for whom the work has been created.
